

Call For Papers

4th World Congress on Micro and Nano Manufacturing

WCMNM 2021

21-23 September 2021, Mumbai, India

TOPICS OF INTEREST

- Micro fabrication technologies, process chains and process characterization
- Miniaturization of machines and equipment; positioning, motion generation, sensors systems, and control
- Novel product designs, micro-assembly technologies and micro-handling
- Surface engineering and interface nanotechnology
- Process modelling and simulation
- Processing and characterization of smart materials, energy materials, meta-materials and nanomaterials
- Micro and nano additive, subtractive, joining, and hybrid manufacturing technologies
- Micro and desktop factory concepts, systems, components and modules
- On-line monitoring and inspection systems, and smart manufacturing
- Standardization in micro manufacturing and micro factories
- Applications of micro and nano technologies
- Emerging micro manufacturing methods and equipment, including those that bridge the nano- and macro- worlds
- Biomanufacturing and biomedical devices

PAPER SUBMISSION

Full Paper (Max. 4 pages)

Submission opens on 1 January 2021

📅 Deadline: 30 April 2021

Submit here: <https://www.me.iitb.ac.in/~wcmnm>

Use the Conference Template available on the website

PROCEEDINGS

- All final papers accepted for presentation will be included in the WCMNM 2021 Electronic Proceedings.
- The authors shall retain the copyright.
- Selected papers will be considered for publication in Special Issues of:
 1. ASME Journal of Micro and Nano Manufacturing,
 2. Micromachines.

REGISTRATION FEES

Due to the pandemic, the conference will be conducted in **online** mode.

VENUE

Victor Menezes Convention Center
Indian Institute of Technology Bombay (IIT Bombay)
Powai, Mumbai, India

IIT BOMBAY

📍 Mumbai, India

Recognised worldwide as a leader in the field of engineering education and research, the IITB is known for the outstanding calibre of students and has graduated more than 42,000 of India's top engineers and scientists over the past five decades. It is regarded as one of the best engineering schools in India.

The campus is situated in the heart of the city, about 10 km from the International Airport.

Mumbai

Mumbai has many attractions in and around the city for visitors of every age and type. The major attractions in Mumbai include places like Gateway of India, Haji Ali, Mahalakshmi Temple, EsselWorld, Marine Drive, Chhatrapati Shivaji Terminus, Global Vipassana Pagoda, Juhu and Chowpatty Beach.

Nearby Tourist Attractions

There are a few off the mainland attractions for a 1-day visit like Elephanta Caves, Matheran, Western Ghats (listed in UNESCO World Heritage), and numerous forts & beaches.

STUDENT AWARDS

50 Student Awards

- Covers Registration Fees
- Free shared accommodation at the Venue
- Will be based on the reviews and inputs from the scientific committee
